

**LGBTQ  
DOMESTIC  
VIOLENCE**  
AWARENESS DAY

**28 MAY**

## **SURVIVOR STORY**

I hope you realise just how massive the shift in conversation has been because of your work, words and strength. As a person who experienced intimate partner violence in an LGBTQ+ relationship when I was 19... Well, let's just say I wish some of this was around then so I could have known sooner that something was very wrong. You are saving lives.
